

Product Code

**COU-2PN1503X1.5**

**4.5**

**2 ply Rubber General Purpose**

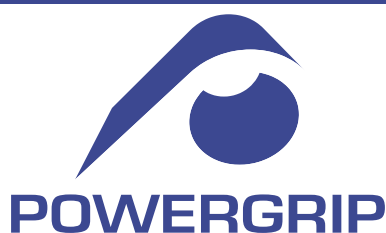

Top Cover [mm]	3mm Grade N Rubber (Black)
Bottom Cover [mm]	1.5mm Grade N Rubber (Black)
Belt Support	Trough Rollers/Live Rollers
No of Plies	2 ply
Temp Range [°C]	-10+ 80
Max Working Tension [N/mm]	30N/mm Permissible Working Tension
Max Width [mm]	Up to 1800mm
Thickness [mm] Nominal	6.5
Normal flexing [mm]	300
Back flexing [mm]	450
Weight [Kg per square meters]	7.8
Join Type	Bias Lap/Mechanical Fasteners

Applications

- General purpose applications where tough, arduous situations are experienced

Distinguishing Qualities

- Tear, cut and gouge resistant
- Grade N rubber covers
- Suitable for Troughing and Belt Over Roller applications
- Low stretch, Nylon/Polyester, long wearing conveyor belt
- Resistant to water, various chemicals and oils
- UV stable

1300 747 470
